"Teaching Graphics in the UAB (Universidade Aberta do Brasil)"

This is a report on a new way of teaching for far regions introduced 2004 in Brazil in order to improve education in the inner country regions? This distance learning originally implemented only in the Rio de Janeiro region is now spread by the government all over the country and called Universidade Aberta do Brazil - Open University of Brazil.

Zeit: Montag, 23.6.2008, 16.15 Uhr

Ort: Dissertantenzimmer

Wiedner Hauptstraße 8-10, 8. Stock, Turm A (grün)
