Owing to typographical errors by the author, the conditions on “ $\dim V$ ” appearing in [1], formulas (2) and (3), fail to match with the cited sources. Instead, these formulas should read as follows:

$$|F| = 2, \dim V > 2 \text{ and } Q(\mathbf{x}) = x_0x_1; \quad (2)$$

$$|F| = 2, \dim V \geq 4 \text{ and } Q(\mathbf{x}) = x_0x_1 + x_2x_3. \quad (3)$$
