

Erratum to "Kinematic Mapping of SE(4) and the Hypersphere Condition"

Georg Nawratil

June 17, 2014

The following erratum applies to the paper:

G. Nawratil: Kinematic Mapping of SE(4) and the Hypersphere Condition.
Advances in Robot Kinematics (J. Lenarcic, O. Khatib eds.),
pages 11–19, Springer, 2014, ISBN: 978-3-319-06697-4,
DOI: 10.1007/978-3-319-06698-1_2

Eq. (11) should read:

$$\mathfrak{X} \mapsto \mathfrak{X}' \quad \text{with} \quad \mathfrak{X}' := \mathfrak{E} \circ \mathfrak{X} \circ \mathfrak{F} - 2 \left(\mathfrak{E} \circ \tilde{\mathfrak{X}} \right).$$

The author apologizes for any inconvenience that this may have caused.
